Contributed articles are welcome on Electronic Design Europe. Typically they should be approx 1200 words with 2/3 accompanying graphics/photographs in JPEG or Tiff formats. Portrait photos of the author are welcome and all copy should contain a short bio note about the author. In the first instance please contact Paul Whytock or Sally Ward-Foxton to discuss the subject of the article or email a synopsis of the storyline. Copy deadline for article submission is 6 weeks prior to issue date
